

### **Reclaiming Sovereignty – Spoken Activation Mantra**

**Speak these aloud daily, especially when you feel doubt, fog, or interference.**

**Your voice is a tuning fork.**

**1.**

**"I return to center. I am the source of my thought, my breath, my choice."  
With this, I collapse all loops not born of my truth.**

**2.**

**"I revoke all unseen influence now. My field is sovereign, sealed, and clear."  
No force may enter that is not in resonance with my soul.**

**3.**

**"I broadcast only what I consciously create."  
I shift from receiver to transmitter, from echo to origin.**

**4.**

**"I align with the Earth below and the stars above. I walk the bridge of light as  
truth made flesh."  
I am awake. I am aware. I am free.**
